

# KRS-One Lyrics

## "The Solution"

Every time I turn on the news it gets depressing  
Watch the news it gets, man c'mon!  
Y'all know what this is for real,

Time to Wise up!

Time to hold yours

Word Up!

No Time for Givin'up!

Word Up!

WE gotta take control of our own community

That's Word!

We're only spittin' hard rhymes, for hard times

Listen to me closely, it's about to get toasty  
I be the speaker of the house like Nancy Pelosi  
The challenges we faces on the world is this,  
The banks are telling government to do that & do this  
No ones taking a truth risk, no ones the looser  
WE need to make trades with Cuba  
Open up the borders all away to Aruba  
Give taxes brakes to all teachers and tutors  
But Cats don't like how the teachers be talking  
Cause cats don't walk where the teachers be walking  
(L) ove (A) need (D) evelop (Y) ourself, that spells L.A.D.Y  
I teach it to young girls and woman go crazy!  
Philosopher, criticism don't phase me  
I walk in the truth even the wind obey me  
Standing with a protest sign FREE HAITI!  
My rhymes blows your mind like "A380" (Explosion)  
I made a million dollars last year didn't change me  
I Make money man, the money does not make me  
Lately my popularity just heighten, cause Krs-One Enlightens!  
I go off the top and I recite what I'm written'  
I Write 3 books for you mind to enlighten  
I promote stop the violence so we could stop fightin'  
If your part of this MOVEMENT, don't just be websitin'  
Volunteer somewhere where people just might win  
And just lead a little help & support from the right friends

Aight then!,

It ain't about stupid white man with Blacks, Latinos & Asians just act just like them!

Krs-One, I got this style from D.M.C

I take it all away back to 83'

But right now K.P gonna drop the Chorus on Me

And It Goes *[Echo]*

*[Hook:]*

Revolution, Revolution That's The Only Solution!

Revolution, Revolution That's The Only Solution!

Revolution, Revolution That's The Only Solution!

Revolution, Revolution That's The Only Solution!

(Hard Rhyme For Hard Times)

Revolution, Revolution That's The Only Solution!

Revolution, Revolution That's The Only Solution!

(Hard Rhyme For Hard Times)

Revolution, Revolution That's The Only Solution!

Revolution, Revolution That's The Only Solution!

REVOLUTION!

Illuminati this!, Bilderberg that!

The White, how long "the dollar" goes way back

If the proof mask the truth, the truth I say that

So the TRUTH is that we in a debt that we can never pay back

So "... The balance the budget..." we can never say that

When the laws are on the flaws the justices lays back

It's the May! Back though, that given us hope

When the "Mercedes Corporation" is trying to stay up float

The whole things a JOKE! & FALLEN PART!

The Only Institution you can really trust is ART

AND WITH ART (Backspin Instrumental, Krs Still Emceeing)

You can start up a Civilization

We're already Worldwide Man! so WHY are WE! Waiting!

Hip-Hop! is THE SPOT where the money be making!

And If We UNITE TONIGHT, WE can start up a NATION

Get Free From The GREED In The Heart Of This Nation

And Create Our OWN NATION from the words that I'm Stating

Hip-Hop MAKE NOSE if you part of this nation & you ain't Gettin' Sucked in the GLOBALIZATION!
